After the publication of the original article [1], the authors identified two errors in Table 1.

In the first column (Artist), the name “Masaccio” was on the incorrect line. It should be on the line below.

In the second column (Title, owner, accession no.), the accession number for “Coronation of the Virgin” was incorrect. It should be 77.PB.92.

The correct version of Table 1 is reproduced here.
